

Parents and Players of Glacier United:

Many players and families enjoy supporting their team and the club by having a t-shirt, sweatshirt or something to wear with Glacier United colors and logo. Insignia Embroidery, a local company, will help us offer a variety of items to order, which will have the club logo embroidered on it. We offer these items to you at a reasonable price and Glacier United will raise a few dollars to help offset some of our expenses this year.

Please look at the list of items that can be ordered and complete the order form on the back of this letter and return your order to Glacier United, P.O. Box 633, Columbia Falls, MT 59912 by November 17 so that we can get these to you in time for Christmas. We will take orders again before games begin in the Spring and possibly a late season order as well.

If you would like to see a color picture of these items check the Glacier United page at www.whitefishsoccer.org . If you have questions, call the hotline at 881-4051
